Welcome Address

Dear Colleagues and Friends,

On behalf of the Psoriasis International Network (PIN) of FRT-Fondation René Touraine, represented by professors Luigi Naldi and Thomas Luger, it is our great pleasure to cordially invite you to participate to PSORIASIS 2016 — 5th Congress of the Psoriasis International Network. SOLAPSO — Latin American Society of Psoriasis is one of the most dynamic regional psoriasis networks within PIN and was handed the responsibility of the scientific coordination of the congress by the assembly of PIN National Representatives.

This congress series is directly aimed to serve the needs of practicing dermatologists involved in psoriasis care across countries in outpatient services, hospital settings, and private practice, focusing on the patient management and therapeutic strategies with a special emphasis on the daily medical practice. Therefore, we have invited keynote speakers throughout the world and from all fields of psoriasis research and care to report on their experiences and deliver insight into the latest results and clinical studies.

For 2016, in close collaboration with SOLAPSO, the 5th Congress of the Psoriasis International Network proposes a dynamic, interdisciplinary and interactive programme, including rheumatology points. A special attention will be given to psoriasis management in different scenarios, psoriatic arthritis and psychodermatology.

Furthermore, topics such as therapeutic targets in psoriasis, psoriasis in paediatrics, phototherapy, topical and systemic treatments and combined therapies, life quality and adherence to treatment, patient education, registries, pharmacoeconomics and psoriasis and internal medicine will also be addressed in workshops which allow you to directly interact with internationally experienced speakers.

Make sure that you don’t miss this unique opportunity to update your knowledge on psoriasis, and take also the advantage to enjoy Paris at this wonderful time of the year!

Sincerely,

Luigi NALDI

WHO ARE WE?

- A network of **4700 dermatologists in 100 countries** and 40 national and international patient organisations involved in psoriasis management
- Connecting 285 psoriasis centres in **60 countries**
- Collaborating with regional psoriasis networks in Europe, Latin America, Arab countries, West-Africa and Asia
- Steered by an **international Scientific Committee**, composed of 40 opinion leaders in the field of psoriasis
- **100 PIN National Representatives** as relays for the network’s projects, surveys and events at the national level

WHAT DO WE DO?

- Organisation of the **international congress on psoriasis focusing on the daily medical practice** (PSO 2007, PSO 2010, PSO 2013, PSO 2016)
- Organisation of **educational symposia** in international meetings
- Promoting the development of national and regional networks on psoriasis
- Fostering the development of **dedicated psoriasis outpatient consultations**
- Fostering international collaborations and clinical and therapeutic research in the field of psoriasis
- **2012 Worldwide Survey on the Use of Methotrexate in the Treatment of Psoriasis** - results published in **JEADV**
- World Interactive Map **Directory of Psoriasis Medical Resources for Patients** available on PIN’s website

Abstracts submission

The DEADLINE for ABSTRACTS submission is: February 12, 2016.
Please go to the website to read the guidelines and submit your abstract:
www.pso2016.com

All abstracts must be written in English.
Selected abstracts will be presented as posters and the best scored posters will be presented during the workshop sessions.

Submission topics:

1. Scoring and monitoring the severity of the disease
2. Psoriasis in children and pregnancy
3. Psoriasis Arthritis
4. Comorbidities in Psoriasis
5. Psychological/Social impact of psoriasis
6. Psoriasis – pathogenesis
7. Clinical guidelines and recommendations for psoriasis treatment
8. Health economics of psoriasis
9. Patient education
10. Clinical trials in psoriasis
11. Epidemiology
12. Clinics in psoriasis
13. Therapeutics

Remember that ONLY electronically submitted abstracts will be considered.
Day 1: Thursday, July 7, 2016

08:30-10:00  
Registration

10:00-11:30  
Round Table  
“Psoriasis by non-dermatologists: what you should know”

Short Presentations Session  
“Late Breaking News”

13:00-14:00  
Ice-breaker in the Exhibition Area

14:00-16:00  
Plenary Session 1  
“Psoriasis as a Systemic Inflammatory disease: Genetic and immunologic background”

1. Microbiome and Psoriasis: up to date.
2. The relationship between Psoriasis and the autoinflammatory diseases
3. New insights in Psoriasis genetics and epigenetics
4. Cytokine networks in Psoriasis and its comorbidities
5. Psoriasis and cardiovascular disease: do they share the same inflammatory pathways?

16:00-16:30  
BREAK

16:30-18:00  
Workshops  
W1 Internal Medicine and Psoriasis

1. Psoriasis and Cancer: is everything related to therapies?
2. Ulcerative colitis, Crohn and Psoriasis: common physiopathological pathways?
4. Other comorbidities of psoriasis
Psoriasis Controversy I: Biosimilars

Programme to be confirmed

Treatments in Psoriatic Arthritis in adults and children

1. Influence of cutaneous involvement in deciding how to treat psoriatic arthritis.
2. Key topics in the management of psoriatic arthritis.
4. Treatment of psoriatic arthritis: traditional DMARDs and new therapies, approaches and recommendations?

18:00-19:30

Patient Associations Meetings
(IFPA, EUROPso, LAtINAPso, PSORASIA)

Day 2: Friday, July 8, 2016

08:30-10:00

Workshops

Therapeutic targets in psoriasis

1. New topical targets.
2. The role of genetics in treatment stratification.
3. Are PPARs a promising target to treat psoriasis?
4. Small molecules: JAK inhibitors, Phosphodiesterase inhibitors and A3 adenosine receptor agonists.
5. Anti-IL 17 and Anti- IL 23: where are we and where do we go?

Psoriasis Controversy II: Related comorbidities

1. Comorbidities: Is there now enough evidence that controlling psoriasis really decreases cardiovascular risk?

Non-biological systemic treatments today: need for repositioning?

1. Fumarates PML – how to monitor and can it still be considered as safe as before?
2. Methotrexate - s.c. versus oral, monitoring of the liver toxicity.
3. Cyclosporine - use it in case of preexisting arterial hypertension? Relevant changes in kidney function, what is normal, when to stop?
4. New and upcoming small molecules.

10:00-10:30 BREAK
10:30-12:30

Plenary Session 2

Psoriasis beyond T cells. Searching for other actors (Keratinocytes, mast cells, etc)

1. Keratinocytes and antimicrobial peptides in psoriasis.
2. Mast cells and neutrophils in psoriasis.
3. Dermal and epidermal microenvironment in psoriasis plaque.
4. Dendritic cells and the narrow line between tolerance and effective immunogenic response in psoriasis.

12:00-14:30 Break

14:30-16:00

Workshops

W7 Psoriasis: management in different moments (children, seniors, pregnancy, breast feeding)

1. My patient is on systemic treatment and is pregnant! What do I have to do?
2. Psoriasis treatment in the elderly: what about frailty and multimorbidity?
3. Children systemic therapies today: from the evidence to the clinical practice.
4. Recommendations for patients under systemic treatment in case of traveling and surgery.

W8 Topical treatments today

1. Adherence: the first goal in topical treatments.
2. Which is the role of topical therapy in nail psoriasis?
3. Corticosteroids with and without vitamin D. Still the first choice?
4. Emerging topical drugs.

W9 Patients follow up with biologics and other treatments (How often? What to do?)

1. Classical:
   a. Methotrexate
   b. Cyclosporine
   c. Acitretin
2. Biologicals inhibiting TNF, IL 12/23, IL 17:
   What to use? How to choose?
3. Small molecules:
   a. Apremilast
   b. Tofacitinib
4. Combination therapies
16:00-16:30  BREAK

18:00-19:30  
**Pin National Representatives Meeting**

### Day 3: Saturday, July 9, 2016

08:30-10:00  
**Workshops**

**W10**  **Therapeutic optimization in psoriasis**
1. Treatment goals and transition therapies: from guidelines to the real world.
2. Treat to target in psoriasis and psoriatic arthritis.
3. Immunogenicity impact in treatment choice and transition therapies.

**W11**  **Biologics today and in the future**
1. The impact of biologics in psoriasis comorbidities.
2. New molecules in the pipeline.
3. Health economics and biologics prescription: worldwide differences.

**W12**  **Phototherapy**
1. The relation between phototherapy and skin cancer: how can we minimize the risks?
2. Targeted UVB phototherapy: indications and limitations.
3. Home phototherapy: when and how? Is it safe?
4. Phototherapy in pediatric patients.

10:00-10:30  BREAK

10:30-12:30  
**Plenary Session 3**

**Patient-oriented therapies (personalized/custom-made)**

1. Genetic background and treatment response: personalized therapies?
2. Presentation to be confirmed
3. Pharmacogenetics and pharmacogenomics in psoriasis: today and in the future.
4. The influence of health resources in the access to drugs: differences around the world.
5. Therapeutic patient education: added value in psoriasis?
14:00-15:30

Workshops

**W13** Psoriasis in children
1. Epidemiology, diagnosis and prognosis.
2. Topical and systemic therapies for children today.
3. How to manage long-term side effects?

**W14** Registries (regional differences, uncovered needs, communication networks, access to patients data)
1. Goals and limitations in psoriasis registries, regional differences and regulatory issues.
2. The Biobadaderm registry experience: Spain leading the way.
4. How to interpret registry data? How does registry data match with RCT data and results from meta-analysis?

**W15** Life quality, adherence and access to treatment
1. Access to medications in developing countries: itolizumab, biosimilars and copies
2. Coping strategies and the role of patient social network: tools to decrease life quality impact?
3. Could early high effective therapies decrease the burden of the psoriatic disease?
4. Whole person care, quality of life and health care systems.
5. The role of physicians, family and social environment to increase adherence: creating new strategies

15:30-16:00 BREAK

16:00-18:00

Closing Plenary Session

“Looking into the future”

2. Therapeutics:
Welcome to Paris!

Venue and Dates

The 5th International Congress of Psoriasis will be held from Thursday 7 to Sunday 9 July 2016 in the Palais des Congrès, in Paris.

Paris can easily be reached by plane, train or car, as it is located crossroad of Europe. It is served by two international airports and a very convenient railway system. The shuttle buses from Charles de Gaulle or Orly airports arrive downtown.

The Palais des Congrès is easily accessible: by car (Parking Porte Maillot under the Convention Centre), by local city bus (lines 82 - 73 - 43 - 244 PC) or by metro (line 1) or RER (Paris Suburban Express Metropolitan Network, line C). The station is called “Porte Maillot”.

Official language

Organized by an International Scientific Society, all presentations will be given in English.
● **Congress office**

**Before and after the meeting:**

PSORIASIS 2016 - MCI France  
24 rue Chauchat – 75009 Paris – France  
Tel: 33(0) 1 53 85 82 59 – Fax: 33 (0) 1 53 85 82 83

**On-site Secretariat: (Tentative Opening hours)**

Thursday, July 7, 2016: 08:30 am – 06:00 pm  
Friday, July 8, 2016: 07:30 am – 06:00 pm  
Saturday, July 9, 2016: 08:00 am – 06:00 pm

The Congress documentation will be available there for pre-registered delegates and for anyone wishing to register on site.

● **Badges**

A name badge will be provided with your registration documents on site (and not mailed out prior to the congress).

● **Climate and clothing**

The weather in Paris in July is usually hot and sunny with daily temperatures ranging from 20°C to 25°C. Night temperatures are usually mild.

● **CME credits**

Continuing Medical Education credits will be offered by Medical Academies and Scientific Societies from all over the world. Participants may register for CME credits in their own countries. Certificate of attendance will be delivered on site. More information will be posted on the Congress website in due time.

● **Currency exchange**

ALL RATES given in the programme are in EUROS: €

● **Electricity**

Electricity used in France is 220 Volts; its frequency is 50 Hz and the plugs have two male contact points. Plan to bring a transformer for your electrical or electronic equipment using different voltage.
● **Exhibition & Sponsorship**

A scientific and technical exhibition will be open on Thursday afternoon, Friday and Saturday all day to pharmaceutical companies, manufacturers of materials and equipment and scientific publishers. It will be held in the Congress Venue.

As a pharmaceutical company or manufacturer, you may want to sponsor a session within the core programme or organize a satellite meeting.

For exhibit or sponsorship, you can contact any time the Congress Office: psoEXH@mci-group.com

● **Insurance & Liability**

The Organizers will accept no liability for personal injuries sustained by or for loss or damage to property belonging to Congress participants, either during or as a result of the Congress or during all events.

Participants are strongly recommended to seek insurance coverage for health and accident, lost luggage and trip cancellation.

● **Lunches & Break**

Lunches are NOT included in the registration fees but sandwiches and snacks can be purchased at all times within the premises of the Palais des Congrès.

● **Telephones**

For international calls to France, dial the international code followed by 33 and the correspondent’s number without the “0”.
Registration procedure

All participants must be registered and are urged to register in advance. You can register online on a secure server in paying with your credit card or bank transfer via the Congress website: www.pso2016.com (and follow the instructions).

• **Visa**

Every person entering France should be in possession of a valid passport and/or identification card (except for members of the Euro zone). Some countries require a visa. Please contact the nearest French Embassy or Consulate to your home for further information.

You can get detailed information from the web site of French Ministry of Foreign Affairs at: http://www.diplomatie.gouv.fr/en/coming-to-france/getting-a-visa/

The Congress Office can assist you with an official invitation letter for visa application purposes.

Please complete the form on the congress website [www.pso2016.com](http://www.pso2016.com) (registration section) in order to submit your request.
Accommodation

Hotel rooms at special Congress rates are being held for congress participants and their families in various hotels of different categories in the vicinity of the Congress Venue. But there will be no shuttle services provided by the congress between the congress hotels and the Palais des Congrès.

To make a reservation, visit the Congress website: www.pso2016.com

A PAYMENT of the FULL STAY will be requested for all hotel reservations. It will be automatically deducted from the total amount of your hotel bill when leaving.

Room reservation will be made upon availability on a first come, first served basis.

Room rates

All rates are indicated in euros, per night and per room. Reservations must be made through the Congress Office to guarantee the indicated rates negotiated for the Congress. Unless otherwise indicated, most of the rates do not include breakfast.

PEARLS is an educational programme supported by Janssen, which focuses on improving understanding in psoriatic disease.

PEARLS aims to enhance care for patients by keeping healthcare professionals informed about the latest insights and advances in psoriasis, psoriatic arthritis and other related conditions such as inflammatory bowel disease (IBD). The PEARLS programme:

- Raises awareness of comorbidities associated with psoriatic disease
- Provides expert insights into optimal management of patients suffering from psoriasis and related comorbidities
- Includes a wide variety of educational resources relating to psoriasis and psoriatic arthritis
- Hosts a range of events from intimate masterclass meetings to large standalone events

Look out for our satellite symposium at PSORIASIS 2016!

Date: Friday 8th July
Time: 12.30 to 14.00
Do not forget:
- If you decide to postpone your stay at the last minute, the rooms will be kept by the hotels according to the amount of the payment received.
- If you are delayed, think of informing the hotel.
- No reservation will be made without the requested deposit.
